PRESS RELEASE

SUBJECT: Suspension of the keeping and use of fire arms as well as the sale and purchase of ammunicions within the North West Region.

Following the recent sociopolitical crisis and the prevailing insecurity situation coupled with the numerous threats and attacks, from terrorist groups, the Governor of the North West Region informs the general public, that with effect from the 1st of February 2018, the **keeping and use** of locally made guns and imported fire arms as well as the **sale and purchase** of ammunicions are **suspended for a period of six (06) months renewable**, throughout the North West Region.

All persons keeping hunting guns are requested to hand them over to the nearest Administrative Authority who will acknowledge receipt.

Contraveners will be liable to sanction as Law Enforcement Officials will be carrying out search operations and regular controls in this connection.

The Governor of the North West Region hereby calls on all citizens to manifest a high sense of civic responsibility with regards to the strict respect of these measures which have as major objective the protection of the population and their property, as well as the safeguarding of the integrity of our beloved Nation Cameroon.
